Supplementary Questions: Application for Capital Building Costs

This form should be completed if you are applying to us for help to fund a capital building project (e.g. an extension to a village hall).

Capital building work represents a significant undertaking for any voluntary group and carries a number of responsibilities and liabilities for the management group. The following questions will help our grant panel to understand more about how our group have prepared for this piece of work.

1. Does this work require you to submit an application for planning or listed building consent? *(please tick the appropriate box)*

- Yes No

2. If yes, has the application been submitted? *(please tick the appropriate box)*

- Yes No *(if no, go to Q4)*

3. If an application for planning or listed building consent has been submitted, at what stage is the application?

- Application has been approved
 Application has been turned down
 Awaiting outcome (please tell us when you expect to have an outcome of the planning application)

4. Do you (the applicant organisation) own the land on which the capital building work will take place?

- Yes we own the land
 No, but we lease the land (please tell us the length of your lease and who you lease the land from)
 No, the land is owned by another party (please give details of who this other party is including name, address and contact number below and attach proof that you have the express permission of this party to carry out the work)
